April 2009

Dear Hotel, Motel and Inn Managers:

Wow, times have changed. Today, most youth don't drink. Your efforts and the efforts of other community minded business owners have been a huge part of that change. Together, we can make underage drinking—and all its related tragedies—a thing of the past.

Thank you for making it easier for youth to make healthy choices. Your cautious attitude and firm company policies *work* to prevent renting rooms to patrons whose intent may be to host underage drinking parties.

We hope that you will continue to meet with staff to review your company policies and customer contracts, and identify what to do when customers are in violation of those contracts.

For your reference, we have attached a summary of Maine's underage drinking laws and Liquor Liability Laws, as well as a list of prom and graduation dates and locations throughout Cumberland County. Please always call local law enforcement if you suspect a problem. A magnet listing non-emergency dispatch numbers is also enclosed.

The prom and graduation season is a time of celebration. Thank you for helping to keep it that way.

Sincerely,

21 Reasons, in partnership with Communities Promoting Health and the Cumberland County Underage Drinking Enforcement Task Force:
